Beyond Covid-19: The Call for Partnerships In Nursing

Continuing Education Credit for this webinar is available from Wolters Kluwer on nursing.ceconnection.com. Once you complete the CE test your certificate will be available in the Planner area at any time. You will need to log into CEConnection with a username and password. If you do not already have a username for this site, there is a registration process to complete. The information collected is necessary for CE accreditation record compliance. With registration on CEConnection you can access all CE. You only register once. There is no cost. Access to this site is FREE.
