

Lippincott Solutions July 2020

Next Steps: Reopening Simulation Centers

Continuing Education Credit for this webinar is available from Wolters Kluwer on nursing.ceconnection.com. Once you complete the CE test your certificate will be available in the Planner area at any time. You will need to log into CEConnection with a username and password. If you do not already have a username for this site there is a registration process to complete. The information collected is necessary for CE accreditation record compliance. With registration on CEConnection you can access all CE. You only register once. There is no cost. Access to this site is FREE.

When you are ready to complete the CE attestation statement you should:
Enter this address in your browser:

<https://nursing.ceconnection.com/public/modules/13674>

Open and close the “Learning Activity” then choose “Take Posttest”

The screenshot shows the CEConnection website interface. At the top, there is a navigation bar with links for Home, Browse, My Planner, and Admin, along with a search bar. The main content area displays the 'Activity Steps' section with three steps: 1. Activity, 2. Take Posttest (highlighted with a red circle), and 3. Certificate. Below the steps, there are sections for Description, Learning Objectives/Outcomes, and Disclosures. On the right side, there is a 'FREE' badge and a list of credits: ANCC 1.0 CH, FL - BON 1.0 CH, DC - BON 1.0 CH, and GA - BON 1.0 CH. There is also a link to the Accreditation Statement. At the bottom, there is a footer with copyright information and links for Disclaimer, Privacy Policy, and NHI Public Access Policy.

If you do not have an account on CEConnection you will be directed to this page to complete enter registration information:

Choose **CONTINUING EDUCATION** from the top menu bar:

The screenshot shows the top navigation bar of the NursingCenter website. The 'Continuing Education' link is highlighted with a red circle and four red arrows pointing towards it from the text 'Choose CONTINUING EDUCATION from the top menu bar:'. Below the navigation bar, the 'Featured Topic' section is visible, featuring 'Infection Control' with several related articles and pocket cards. At the bottom, there is an advertisement for 'The Distributive Shock Learning Center' and a 'New & Noteworthy' section.

Next choose **CEConnection**

Now Available **The Distributive Shock Learning Center**

Providing key information to PAs and Nurse Practitioners on the clinical practices in identification, diagnosis, and therapy for distributive shock
